Dear Mr Edgerton

Exemption application by the State of NSW and Transport for NSW

Thank you for your letter dated 8 January 2018 in respect to the above exemption application.

I have read the applicants' submissions and considered their reasons for requesting the above exemptions.

I have no objection to the application, as it appears to be necessary for the applicants to continue negotiation with the Inner West Council and take steps to make the Birchgrove Wharf compliant with the *Disability Discrimination Act 1992* (Cth) and the *Disability Standards for Accessible Public Standards 2002*.

Yours sincerely

Allan Macdonald
Acting Commissioner for Equal Opportunity
